

Connecticut Agricultural Science and Technology Education Program

Application for Student Admission

Agricultural Science and Technology Education (ASTE) programs serve secondary students in full- and shared-time programs. Each program is located at a comprehensive high school except for Bridgeport Regional Aquaculture Science and Technology Education Center, which has its own independent facility. The ASTE programs prepare students for college and careers in animal science, agribusiness, agricultural mechanics, aquaculture, biotechnology, food science, marine technology, natural resources, and plant science (not all ASTE centers offer all the afore mentioned programs). The ASTE programs incorporate a hands-on, active curriculum that integrates subject area skills and knowledge, applied skills in the core subjects of mathematics, science and English/language arts while incorporating leadership skills and work-based learning experiences through the National FFA Organization and supervised agriculture experiences.

INSTRUCTIONS

Any person who has completed the eighth grade is eligible to be considered for admission to an Agricultural Science and Technology Education Program. You and your legal guardian must complete this application with the appropriate signatures and return it to your school counselor so that the school section may be completed.

Student Applicant Name:

Grade Level:

Current School Attending:

Agricultural Science and Technology Education Center(s) student is applying to attend. Please refer to Appendix A for the center your town has chosen for agriculture education.

Name of ASTE Center(s):

Agriculture Pathway. Please note: (Not all agriculture centers offer all pathways. Refer to your ASTE Center's web page for more information.)

Numerically rank the following pathways 1 through 9 based on your preference of study. Write "1" in the blank next to the pathway that is your most desired selection; write "2" in the blank next to your second desired area of study; and continue with writing "3" for your third selection and so forth. If you are not interested in a pathway place a "0" in the space provided.

Agribusiness (farm ownership, equipment dealership, agriculture commodity broker)

Agriculture Mechanics (tractors, engines, wood working, machining, welding)

Animal Science (veterinary science, livestock, horses, companion pets)

Aquaculture (fish production, marine biology, aquaponics)

Biotechnology (genetics, microbiology, DNA work)

Food Science (food safety, food handling, product development, nutrition)

Marine Technology (marine construction, marine mechanics, ocean engineering, vessel operations)

Natural Resources/Environmental Science (ecology, forestry, conservation, wildlife, water protection)

Plant Science (greenhouse, gardener, floral design, landscape design)

Applicant Personal Information

Agriculture, Aquaculture, and/or Marine Trades Interest Page

Directions: In the space below, handwrite three to five paragraphs about your interest of study at an agricultural science and technology education center. Your statement should address the following: reason(s) you want to study agriculture, aquaculture, and/or marine trades; previous experiences with any of the agriculture pathways on page 1; benefits from being part of the center; and how the center would benefit by having you as a student.

Instructions for Authorization of Release of Records

For your child to be considered for admission to a Connecticut Agricultural Science and Technology Education (ASTE) program, you and your child must complete this application with the appropriate signatures and return it to your school counselor, principal, or teacher. Your school counselor will complete the sending school section of this application and forward your application, transcript of grades, attendance and discipline infractions to the appropriate ASTE Center (see Appendix A). Incomplete applications will not be processed. Admission is contingent upon successful completion of Grade 8 and final receipt of all records.

Academic Information Required

Beginning Grade 9 Admission: Attach grade 7 final report card, grade 8 current completed marking period information (transcript), attendance, discipline record, and most recent norm-referenced screening data for numeracy and literacy including scaled scores as available.

Mid-year Grade 9 Admission: Attach grade 8 final report card, attendance, discipline record, and most recent norm-referenced screening data for numeracy and literacy as available.

Grades 10, 11, 12 Admission: Contact the agricultural science and technology education center for your town to inquire about documents to submit with the application. (Please note, not all ASTE Centers accept students after Grade 9).

504 plans and special education records will be required once applicant indicates intent to attend. Final transcript, English Learner program records, full discipline record, and health records are required at the end of the year.

**AGRICULTURAL SCIENCE & TECHNOLOGY EDUCATION CENTERS
STUDENT AND PARENT/ GUARDIAN AGREEMENT**

I understand that Agricultural Science and Technology Education (ASTE) Centers utilize the Three Circle model of Education: Classroom/Laboratory Experiences, Supervised Agricultural Experience Program (SAE), and student leadership through the FFA. While enrolled in an ASTE Center, I must be on track to graduate with my class, and I will obey all rules, requirements, and commitments of the high school and Agricultural Education Program

I understand that I will keep track of my activities and out-of-school experiences in a SAE record book or an online tracker. I understand that my SAE program is conducted outside-of-class time.

I understand that, because of the nature of the program, field trips are taken often and agricultural work is done in class to prepare the student for college and careers in agriculture. All students shall take part in and dress appropriately for these experiences.

I understand and agree to participate in this program as a member of the FFA. Class/lab work, supervised agricultural experience, and FFA participation are all essential and integral for success in my Agricultural Education program.

Applications will be evaluated based on the following criteria (The list is in order from highest to lowest in criterion).

1. Demonstrated interest in a career in an agricultural or agricultural related field.
2. Personal meeting and/or interview with ASTE staff and/or school personnel.
3. Counselor, teacher, personal recommendations.
4. Attendance record.
5. Academic records.
6. Behavioral records.
7. Standardized assessment scores.

The Connecticut State Department of Education is committed to a policy of equal opportunity/affirmative action for all qualified persons. The Connecticut Department of Education does not discriminate in any employment practice, education program, or educational activity on the basis of race; color; religious creed; age; sex; pregnancy; sexual orientation; workplace hazards to reproductive systems, gender identity or expression; marital status; national origin; ancestry; retaliation for previously opposed discrimination or coercion, intellectual disability; genetic information; learning disability; physical disability (including, but not limited to, blindness); mental disability (past/present history thereof); military or veteran status; status as a victim of domestic violence; or criminal record in state employment, unless there is a bona fide occupational qualification excluding persons in any of the aforementioned protected classes. Inquiries regarding the Connecticut State Department of Education's nondiscrimination policies should be directed to: Attorney Louis Todisco, Connecticut State Department of Education, by mail 450 Columbus Boulevard, Hartford, CT 06103-1841; or by telephone 860-713-6594; or by email louis.todisco@ct.gov.
